**COFFEE
&
CONVERSATION**

Advent & the art of waiting

In our fast paced culture, we have become impatient and intolerant of waiting in line, waiting for people, and waiting for events to happen. In this Coffee & Conversation we will reflect on how the season of Advent offers us an opportunity to be still so we can listen to how God desires to become a part of our daily lives. We will also look at the gifts and challenges of waiting to see how they can be opportunities for personal growth.
