

STUDENT TESTIMONIALS & THOUGHTS

Here are some student comments about **ST JUDE SCHOOL** and **WHY** we like it here:

SJS shows me the right road to follow so I can grow in my faith...Brett, 7th

Mom...Thank you for sending me to SJS. Going to a Catholic school give me greater values and a stronger foundation with God...Josh, 8th

M/D...I love SJS because it's a great school and has great things. The teachers care for us. We can learn about God. We have an extended Church family. We are always learning new things...Samantha, 2nd

I love art, paining and glue. I love going to gym...Mary Grace, PS3

M/Grandma...Thank you for letting me go to SJS...I love their lunches. My favorite classes are science, social studies, SOAR, art and gym. The main reason I like Mass is because fr. Kosem is both funny and cool. All my teachers are nice and easy to get along with...Brandi, 6th

M/D...I know that it is a lot of money to send me, but I really like it here. The education is awesome and I know it will help me in the future. Another thing, the teachers are very caring and help us when we are struggling. Thank you so much...Catherine, 6th

M/D...Thank you for sending me here. SJS has made me a better person...Katie, 7th

M/D...I know how much time and effort you put into picking the perfect school, and this was it...Cari, 8th

SJS has become my home away from home...Tony, 7th

And so, speaking for the faculty and staff and more importantly on behalf of the children, our hope and prayer is that SJS will continue to flourish as we work in partnership with our parish community and our school parents in the ministry of Catholic education and the Christian formation of our children.
